

# Nordic Light workshop

## INFORMATION FOR THE TALENT

Learn to master the light in a Nordic beautiful summer setting!

Nordic Light workshop with lighting designer Luisa Fanciullacci, is a four days' workshop that will give you a deeper knowledge about light and moviemaking. Our main focus will be to create the typical "Bergman light" or "Nordic natural light" trough with different setting.

*This year the director Ingmar Bergman will be celebrated in Sweden, as it is 100 years ago he was born. With this celebration in mind we want to offer a workshop to celebrate the master of light - his cinematographer Sven Nykvist. He won 2 Academy Awards (Oscar) for his work with "Cries and Whispers" (Viskningar och rop) in 1973 and "Fanny and Alexander" (1983). Sven was a true master who worked to create natural light in different environment.*

**Who:** You are a talent (20-30 years old) in the field of cinematograph/lighting master or aiming towards this professions. You have some experience and have been involved in a couple of short films. Totally 12 participants will be accepted.

**What:** Workshop for four days including training, lessons and seminar. You will learn about the character of light which can be manipulated a created in multiple ways and how material and colors in the set effects the light. You will be part of a creative and engaged group of talents from Scandinavian and Europe which give you an excellent platform for your future work. Bring your own camera if possible.

**When:** 12– 15 June. (Starts 3 PM on Tuesday and ends at lunch on Friday).

**Where:** The workshop takes place around Gothenburg and West Sweden, Scandinavia's leading film region, where many directors chose to shot their movies; Lars von Triers, Thomas Vinterberg, Joachim Triers and Ruben Östlund. And did you know that Ingmar Bergman also lived in Gothenburg for three years (1946–49)?

**Costs:** The workshop is free of charge, and the only costs are the travelling to Gothenburg and hotel expanses. We have pre booked hotel (around 45 euro/night if you share a room, or 90 euro/night for single).

The Nordic Light workshop will be led by Luisa Fanciullacci, who has more than 20 years' experience from film, TV and stage and fine art installations. She has a strong passion for light, and see light as an art form itself. The workshop is made possible through a collaboration between Kultur i Väst/ FilmCloud and Film i Väst
